

Defence

Linguistic Support to the Global Defence Industry

Our highly specialised linguistic and documentation authoring service encompasses every requirement of the global defence industry.

Whether your business is in manufacturing, design, supplying intelligence, or international logistics, we have the skills and experience to support you.

"We find your work to be prompt, accurate and cost-effective. Without doubt, Global Key's excellent translation of our marketing creatives has helped increase enquiries."

Alex Hazell - Global Marketing Manager Advertising and Circulation
- IHS Jane's

We offer:

- Complete confidentiality
- Unrivalled knowledge of the sector
- In-house authoring, technical drawing and creative design facilities
- In-house documentation printing facilities for sensitive material
- Fully accredited translators – all subject to strict confidentiality agreements
- All known languages
- Invaluable advice on cultural "dos" and "don'ts"

Markets we work in include:

- Aerospace
- Defence engineering
- Systems and communications
- National security
- Telecommunications

Please contact us for more details of our services, a simple pricing guide or a formal quotation. We look forward to hearing from you.
