## Linguistic Support to the Pharmaceutical Industry

We are a specialist provider of translation, marketing and cultural services to the pharmaceutical industry.

By combining established skills in global linguistics with comprehensive knowledge of international marketing, we provide our clients with high quality translations, localised to the specific needs of the market.

### We offer:

- Native translators and proofreaders, experienced in their field, from Paediatrics to Oncology
- Rigorous quality controls, including a second national proofread on all translations, ensuring complete confidence in the delivered product
- Desktop publishing and typesetting in all languages using standard MAC and PC software such as InDesign, Quark Xpress, FrameMaker etc., eliminates costly stage procedures
- All marketing materials including multilingual e-shots, presentations, sales literature and websites

Please contact us for more details of our services, a simple pricing guide or a formal quotation. We look forward to hearing from you.
