

International Trade Support

Linguistic Support for International Trade

Do you wish to diversify into international markets but lack the know-how or time to do so? Allow us to be your export support team in any language.

Whether you are new to international trade or already an established importer/exporter, we can provide you with experienced professionals, be it for a one-off project or for long term support.

We offer:

- Export market research to identify suitable target markets
- Sourcing of overseas agents and distributors
- Foreign contract terms and conditions advice
- Clarification of compliance rules and regulations involved in international trade
- Export and import training for commercial, shipping and credit control staff
- Installation of easy to follow systems and procedures to automatically accommodate international regulations
- Temporary cover for staff absences

Markets we work in include:

- Aerospace
- General engineering
- Automotive
- Tool distribution
- Metals and alloys
- Telecommunications
- Defence
- Tourism
- DIY and housewares
- Laboratory services

Please contact us for more details of our services, a simple pricing guide or a formal quotation. We look forward to hearing from you.
